Certification

Philipp Simon Schmidt

has completed the following seminar on 26-FEB-2020 as part of our qualification offering

FOSS Contribute Driver's License

Training contents:

- Comply with the Daimler Process for „Contribute" to FOSS community projects
- Verify that the contributed software code does not violate third party rights or patents and that it does neither require licensing of Daimler patents nor provides insights to Daimler business differentiator topics that have not been classified to be shared with others
- Identify and verify the license obligation of the community project you are contributing to
- Satisfy the legal requirements for the Daimler FOSS Code of Conduct
- Structure and content of a contribution
